Attention David Peres Da Costa 5262

Dear David,

The West Hampstead NDF had a meeting with the developer last week.

Although the consultation period is ended we would like to make some comments on the proposal, largely supportive.

1. We believe that the relinquishing of the the Strip Club licence is of benefit to the neighbourhood.
2. We are pleased that there will be commercial space in the ground floor and basement on the frontage.
3. The materials used also reflect the neighbouring buildings, including improvements to the existing facades
- 4 We note that the proposal includes maintaining and preserving of the existing architectural details on the main frontage.
5. We note that the proposal meets the Neighbourhood Plan's requirement that the height of neighbouring buildings are reflected and note that there is no increase in height in the building, apart from infilling.
6. We commend the developer and the planning department on the apparent success of the pre-application discussions in producing a good scheme that reflects the Neighbourhood Plan.

Regards Nick Jackson and Keith Moffitt
