

WHAT IS THE NEIGHBOURHOOD PLAN?

The Plan is a document which will help determine planning applications in the council wards of Fortune Green & West Hampstead. It has been drawn up over the past three years by local people and is a result of extensive consultation and engagement. You can see the Plan on our website: www.ndpwesthampstead.org.uk

WHAT DOES THE PLAN DO?

It gives local residents a say in planning decisions and sets out policies which will be applied. It covers a large number of important local issues including housing, design, business, transport and green space. It also allows the local community to benefit via payments from the Community Infrastructure Levy.

WHAT IS HAPPENING NOW?

The Plan was approved by an independent examiner in January - and is now at its final stage: the Referendum. All those living in the area covered by the Plan get a vote. Please vote **YES** to the Neighbourhood Plan on **Thursday 9th July**.
